Direct pay and reimbursement for tuition and education costs

Devereux's ASCEND is the first career accelerator program exclusively designed to give behavioral healthcare workers the career guidance, one-on-one coaching, skills and financial assistance they need to reach their full potential.

ASCEND offers funding up to 100% of the costs of exam fees, training, tuition and study materials to support every career path and life-long service commitment. The program also offers a robust student loan repayment benefit for those team members who have already completed their education.
