

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/LGBooklet or by calling 1-800-ASK-BLUE (TTY:711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	For In-Network providers \$400 person / \$600 person and dependent / \$800 family.	You must pay all of the costs from providers up to the deductible amount before this plan begins to pay the overall EE Only, EE/Child or Family (Incl. EE/Sp/DP & EE/Children & Family) deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care , Primary care services, Specialist services and Emergency room services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For In-Network providers \$1,650 person / \$2,450 person and dependent / \$3,300 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If enrolled in this plan , the overall EE Only, EE/Child or Family (Incl. EE/Sp/DP & EE/Children & Family) out-of-pocket limit must be met.
What is not included in the out-of-pocket limit?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.ibx.com/find_a_provider or call 1-800-ASK-BLUE (TTY:711) for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
