

### Top Providers

Access to specialized procedures and treatments at pediatric and adult world-class medical providers.

### Concierge & Case Management

Dedicated care team to act as your guide, answer any questions you have, and assist with travel and scheduling.

### No Cost To Members

Members co-pays and deductibles are waived by their employer for using Accarent.

Through a partnership between Devereux and Accarent Health you have access to over 250 specialized surgical procedures and treatments for adult and pediatric members, at a network of the highest rated providers in the country, like Johns Hopkins Hospital, with no out-of-pocket cost. Accarent also offers dedicated case management, concierge benefits, and possible travel assistance based on your condition.

Ophthalmology

## THREE SIMPLE STEPS

### CONTACT ACCARENT

When specialized medical care is needed, contact us to speak with a personal case manager to learn more about your benefits through Accarent Health's Centers of Excellence program.

### CHOOSE YOUR CENTER OF EXCELLENCE

Choose one of Accarent's highly-rated academic medical centers or accredited providers to receive care.

### RECEIVE CARE

Accarent's nurse case management team will assist you through the entire care episode and continue to support you for 30-120 days post-discharge to ensure satisfaction and a smooth transition to a local provider for follow-up care.
