

# TAKING THE WORRY OUT OF WORLD TRAVEL

Whenever you travel internationally for any reason, your employer has you covered. You have **Blue Cross Global Traveler Companion** as part of your benefits, so you are protected if you need medical care when you are outside the U.S.\*

**Keep this card with you when you travel internationally,** because you never know when you may need it. International healthcare systems can be very different than what you're used to. This program gives you 24/7/365 support and mobile tools that help you stay connected so there are no worries or "what-ifs" when you travel internationally.

\*This benefit is available to you and your dependents if you are enrolled in medical coverage with a Blue Cross® and/or Blue Shield® plan through your employer.

If you or one of your dependents does not have Blue Cross and/or Blue Shield medical coverage, you can purchase an individual travel medical policy at [geobluetravelinsurance.com](http://geobluetravelinsurance.com).
